***This information can change at any time. TRVA will make a conscious effort to keep the information current. It is ultimately the responsibility of the contractor to verify upcoming opportunities.**

- Notes:
1. See www.trinityrivervision.org for the most current information on upcoming contracts.
 2. Professional and Construction Service activities may be needed in addition to those shown.
 3. The number and size of the final contracts that are issued will be determined by the Contracting Agency.
 4. Professional Services contracts may be organized into multi-project groups and/or coordinated under a limited number of prime, Design and CM contracts.
